

When I left I was nothing but a soiled barbarian  
Red dog, red dog, red dog  
So I took my gun, such a lonely son  
Play God, play God, play God  
Those watchful Gods won't let me sleep  
Red dog, red dog, red dog  
And sorrow won't go where love is free  
Play God, play God, play God

Oh Asia divine won't you be mine  
We live in a world of moral decline  
And if poverty stinks then so do  
Salamander glowing  
Sabbath drunk and Sunday divine  
Play God, play God, play God  
Your graveyard face has lost its grace  
Dead dog, dead dog, dead dog  
It's a moral crime when you don't have the time  
Red dog, red dog, red dog  
While the fat arms of the damned wreak havoc on the land

Play God, play God, play God

Speak of the Devil and he shall arrive

Oh Asia Divine, won't you be mine  
There is no such thing as a lack of supply  
Hello Beijing, good riddance Dubai  
Salamander glowing  
Salamander glowing

I don't have time for sad goodbyes  
I wear the mask so I can't see

Don't bullshit me with your democracy  
Dead dog, dead dog, dead dog  
Just ditch it in the trash or something like that  
Play God, play God, play God!

Oh Asia Divine won't you be mine  
I'll sing you a song that fell from the sky  
And England shall smile from time to time  
Salamander glowing  
Salamander glowing
