Sexy Red

Been a money getter and I been doin' my thang  
Bitches been hatin' that shit ain't gon' change  
Been a bad bitch, that shit ain't gon' change  
How you mad at me, I don't even want your old man  
Who the fuck this dude, I don't even know your name  
Hoes wanna be me but they just can't hang  
Me and my baby daddy, Glocks look the same  
You the side bitch, Imma always be the main  
Lip gloss poppin', make the boys go berzerk  
I'm feelin' real sexyy I ain't bout to wear a shirt  
I see him looking at me, he don't know I got that work  
Niggas steady asking me how much for a verse

Push start whips, iced out chains  
Fresh outfit and the diamonds on blang  
I don't fuck with bitches really I'm my own gang  
On the highway swerving, gettin' me some brain  
I'm a fucking pimp, I be spitting game  
Me and these bitches, we are not the same  
Brand new Forces, all white like cocaine  
Bitch you want some smoke so Imma give your ass the flame  
Wrist blanging, diamonds dancing  
If you want static bitch, we could get it bracking  
I'm riding with my nigga, 10 and 5, we ain't lacking  
You was talking all that shit, what's the word, hoe what's happening

Hoppin outta trucks, pussy bitch what's up  
I remember being home getting mad stuck  
I'm on demon time, and I keep that Glock tucked  
Bitch don't try to run, Imma shoot you in the butt

I don't give a fuck bitch, I don't give a fuck  
I don't give a fuck bitch, I don't give a fuck  
I don't give a fuck bitch, I don't give a fuck  
I don't give a fuck bitch, I don't give a fuck

Keep that same energy when I see you out, lil mama  
And if I'm with my son, then we really got a problem  
You better ask about me bitch, I'm strictly bout that drama  
I ain't playing, I get dirty, Imma fuck your baby father

Push start whips, iced out chains  
Fresh outfit and the diamonds on blang
