

## 70's

Sezairi

The way that she walks  
The way that she talks  
My baby she owns it, she owns it  
Classic material like Marilyn Monroe  
I guess that she knows it, she knows it

She makes everybody stare  
I know it's unfair  
Hers is a beauty beyond compare  
But they can't compete  
'Cause I make her complete  
I guess that she knows it, she knows it

She makes me holler  
She makes me scream  
She makes me wonder if I might be just too caught in a dream  
It doesn't matter  
It feels alright  
Cause tonight, tonight, to oh oh oh night

Let's take the stairway to heaven  
Baby, come on  
Let's pretend like it's the seventies  
We'll keep it going on forever like the rolling stones  
Let's pretend like it's the seventies (seventies)  
Na na na na na na na  
Oh, my baby  
Na na na na na na na  
Make it last forever  
Na na na na na na na  
Oh, my baby  
Let's pretend like it's, it's the seventies

She's an analog girl in a digital world  
I wanna fly in a time machine  
Let's watch Doctor Who and do what they do  
On a T, on a TV screen, oh yeah

She makes me holler  
She makes me scream  
She makes me wonder if I might be just too caught in a dream  
It doesn't matter  
It feels alright  
Cause tonight, tonight, to oh oh oh night

Let's take the stairway to heaven  
Baby, come on  
Let's pretend like it's the seventies  
We'll keep it going on forever like the rolling stones  
Let's pretend like it's the seventies (seventies)  
Na na na na na na na  
Oh, my baby  
Na na na na na na na  
Make it last forever  
Na na na na na na na  
Oh, baby  
Let's pretend like it's, it's the seventies

You know I can't do it on my own  
On my own, on my own, on my, on my, on my own  
Baby girl, don't leave me all alone  
On my own, on my own, on my, on my, on my own  
Break it down like  
You got me on my knees  
Let's do it like the seventies  
Ba, baby, please  
Let's do it like the seventies  
Turn me back to (Turn me back to)  
Turn me back to (Boom, boom, boom, boo, boo, boom boom)  
(Let's take the)

Let's take the stairway to heaven  
Baby, come on  
Let's pretend like it's the seventies  
We'll keep it going on forever like the rolling stones  
Let's pretend like it's the seventies (seventies)  
Na na na na na na na  
Oh, my baby  
Na na na na na na na  
Make it last forever  
Na na na na na na na  
Oh, baby  
Let's pretend like it's, it's the seventies
