

# December

Sezairi

Time just started moving slowly  
As you turned around  
And walked away from me

The last thing I remember  
Was a cold night in December  
And since, I couldn't sleep

Nights are moving faster  
As the moon revolves around  
The distance we're apart

I think about it every now and then  
The last time in December  
When you broke my heart

Day and night  
You're in my mind, day and night  
Tak bisa lepas bayangmu  
I'm always thinking of you  
Our little rendezvous  
Last December

Moving through your bedroom quickly  
Quietly retrieving all my broken parts  
A picture frame  
A sweet escape  
I can't help but notice  
You reset your heart

But in my reality  
Without you, there is no me  
I can't rewind this part

Still think about it every now and then  
The last time in December  
When I broke your heart

Day and night  
You're in my mind, day and night  
Tak bisa lepas bayangmu  
I'm always thinking of you  
Our little rendezvous  
Last December

Siang malam  
Gelisah siang malam  
These feelings I wish you knew  
I can't stop thinking of you  
And our little rendezvous  
Last December

Siang malam  
Gelisah siang malam  
These feelings I wish you knew  
I can't stop thinking of you  
And our little rendezvous

Last December
