It was really hard
To fill up your empty seat
Without you

I hear about you
And it gets filled with you again
I'm repeating this again

When I try to erase you
I think of you more
Now the spot you were in
Is just empty

Don't remember, me without you
I can't remember, this blank space without you is
Lonely lonely lonely
I need your love, I feel so empty
But I'm getting used to it
I can't do this alone, this blank space that can't be filled

Like spilled water
I know I can't put it back
In this place without you
The scent that remains is sweet

Regrets become lingering feelings
They say excuses are all complaints
How much more does this frustrated heart have to ache?
What should I do

I broke down woo
I know it
Will I be able to endure? Woo
You know
In my once free heart, you dig in
The end of the night starts and ends with you

When I try to erase you
I think of you more
Now the spot you were in
Is just empty

Don't remember, me without you

I can't remember, this blank space without you is
Lonely lonely lonely
I need your love, I feel so empty
But I'm getting used to it
I can't do this alone, this blank space that can't be filled

I was afraid to let you go
Though it hurts to death and it's hard
I'm only looking for you

I miss you (like crazy)
I wanna find you
I hope it's not too late

I can't remember being happy
I can't remember, this blank space without you is
Lonely lonely lonely
I need your love, I feel so empty
But I'm getting used to it
I can't do this alone, this blank space that can't be filled

I can't remember, this blank space without you is
Lonely lonely lonely
I need your love, I feel so empty
But I'm getting used to it
I can't do this alone, this blank space that can't be filled
