Hey you see that my story
Go back in time yeah

I want to forget
But I can't

I know, I know, I know
You're like a deep scar
You won't disappear, I know, I know
I've already accepted it a while ago

I'm thirsty, I'm thirsty, I'm thirsty
I see you but I'm still not filled up
I'm withering, withering
I'm thirsty, I'm thirsty, I'm thirsty
The love you gave me makes me burn up
And thirsty
Lalalalalalala lalalalalalala lalalalalalala
I don't matter what you do
Never forget me

Tic tic tic, I wanna turn back time
To the moment we stood right in front of our break up
Tic tic tic, I wanna turn back time
Just for a day, I wish time would time

Go back in time (ay)
Turn back time (turn back time)
Go back in time (ay)
Turn back time
(I just wanna love again)
Go back in time (ay)
Turn back time (turn back time)
Go back in time (ay)
Turn back time
(I just wanna love again)

We keep growing apart
What's wrong
Even though you're not with me
I can't let you go, babe babe
I'm closing my eyes on reality
Disappearing in the past memories
I'm covering my ears from the sound of the clock ticking
May day may day

I'm thirsty, I'm thirsty, I'm thirsty
I erase it but the memories are still in me
I'm withering, withering
I'm thirsty, I'm thirsty, I'm thirsty
The more I fill up the memories that hide in my heart
Tears come
Lalalalalalala lalalalalalala lalalalalalala
I don't matter what you do
Never forget me

Tic tic tic, I wanna turn back time
To the moment we stood right in front of our break up
Tic tic tic, I wanna turn back time
Just for a day, I wish time would time

Like the lyrics to a typical break up song
I wish things can easily be explained with a few lines
Then it wouldn't hurt like this
But it still remains, the pain pain

Yeah, capturing time
Like the monster
No more pathetic, loser-like behavior

Got it? You, understand me now?
I won't hold it in, I'll spit it out now

Go back in time

Tic tic tic, I wanna turn back time
To the moment we stood right in front of our break up
Tic tic tic, I wanna turn back time
Just for a day, I wish time would time

Go back in time (ay)
Turn back time (turn back time)
Go back in time (ay)
Turn back time
(I just wanna love again)
Go back in time (ay)
Turn back time (turn back time)
Go back in time (ay)
Turn back time
(I just wanna love again)
