Just hang out with me today
Just hang out with me tomorrow too
Let's leave this frustrating city
Come here, I'll give you some love (woo ha)

Where have you been?
Main stage darry darry darry
Boom boom that
I don't need this and that
I just lived however I was pulled
Work and love
Both passionately
When I play, I play, don't pass
With instinct (let's go)

Woo, I picked you
A flavor that suits me (ay)
Let's go all the way (ay play hard)
Woo, till my heart explodes
Till the morning sun rises
Till they tell me to leave, yeah yeah

Trust your body to the rhythm
Nilil mambo (get ya)
Show time
The real man has come (Julio)
Drum and bass (1 2 3 4)
Everyone go ratata
Everyday night everyday wow hey lady

I'm ready to party
I think I'm crazy
Do everything you wanna do
Sounds like a lie?
Till you run out of breath, hurry
Do everything you wanna do

Just hang out with me today
(Play, play with me)
Just hang out with me tomorrow too

(Play, play with me)
Let's leave this frustrating city
(Play, play with me)
Come here, I'll give you some love
(Woo ha)

Let me talk about something
My belly button is ringing right now
This isn't a comedy, it's a melo
Filled with butterflies, everyone's bumping (bumping)
Like a trampoline on top of water
You're tumbling in my heart
Only bling bling girls are here
But right here, it's just us two

Trust your body to the rhythm
Nilil mambo (get ya)
Show time
The real man has come (Julio)
Drum and bass (1 2 3 4)
Everyone go ratata
Everyday night everyday wow hey lady

I'm ready to party
I think I'm crazy
Do everything you wanna do
Sounds like a lie?
Till you run out of breath, hurry
Do everything you wanna do

Just hang out with me today
(Play, play with me)
Just hang out with me tomorrow too
(Play, play with me)
Let's leave this frustrating city
(Play, play with me)
Come here, I'll give you some love
(Woo ha)

Woo, however my heart leads me
Wherever it is, I don't care
I like you so much
Whatever you do, I like you
Call me my name
Come to me, come in my arms
I'll do anything for you

I'm ready to party
I think I'm crazy
Do everything you wanna do
Sounds like a lie?
Till you run out of breath, hurry
Do everything you wanna do

Just hang out with me today
(Play, play with me)
Just hang out with me tomorrow too
(Play, play with me)
Let's leave this frustrating city
(Play, play with me)
Come here, I'll give you some love
(Woo ha)
