Shine on me, brightly shine on me
Even if they say you're gonna leave forever
That you're gonna change
Don't, don't do that
Never leave, never go down

Oh ego dormio
I'm still filled with your warmth (ego dormio)
Oh that's Maria
Only you make me hot
Don't be scared, even if the wind blows and rain falls
I won't turn off

O sole mio te quiero
You're my sun, I can't cover you
You take my breath away, I can't avoid you
O sole mio te quiero
You're my sun, oh my lady
I can't forget you

O sole mio (oh ya ya ya ya)
O sole mio (oh ya ya ya ya)
You're my sun
Wherever I go, you shine on me, oh my lady
Even in the darkness, o sole mio

Let's talk about I'm just living in yours
(Just baby don't cry)
Our footsteps are in sync again today
So hot, again today, I'm melting
Always, you make me be myself
All of me starts with you, every day
I'm living in yours
Between the nose and forehead, forever you
O sole mio mio mio

Oh ego dormio

I'm still filled with your warmth (ego dormio)
Oh that's Maria
Only you make me hot
Don't be scared, even if the wind blows and rain falls
I won't turn off

O sole mio te quiero
You're my sun, I can't cover you
You take my breath away, I can't avoid you
O sole mio te quiero
You're my sun, oh my lady
I can't forget you
O sole mio

You're so dazzling, I can't look at you
So I'm closing my eyes
Only you lady yeah yeah yeah
Save me from the darkness
Hold my hand
Hotly hug me
Shine on me whenever
Save me everyday

O sole mio te quiero
You're my sun, I can't cover you
You take my breath away, I can't avoid you
O sole mio te quiero
You're my sun, oh my lady
I can't forget you

O sole mio (oh ya ya ya ya)
O sole mio (oh ya ya ya ya)
You're my sun
Wherever I go, you shine on me, oh my lady
Even in the darkness, o sole mio
