Hey little mama

Going crazy every night, yeah

Hey boomy boomy like that

Hey boomy boomy like that

Scream and shout till your voices burst

Like a party yeah

Hey boomy boomy like that

Hey boomy boomy like that

So dangerous

Crazy, can't escape

Run it run it run

There's no time

Don't misunderstand
Don't worry

Yup, gather here, hot swagger
Forget em, get drunk like a mirage
Sway, special special lady
Hide everything in your young rashness
Seek forgiveness

Roar
Start your engines
It's obvious, lady
La la la la la la la
La la la la la la la
Start your engines
La la la la la la la
It's obvious, lady
Roar

Ah I'm a chillin babe
Trust you? No
No mercy
All the money you dreamed of
It's no big deal, paradise
Hey boomy boomy like that
Hey boomy boomy like that

Oh little mama, snap out of it
Follow me, yeah
Hey boomy boomy like that
Hey boomy boomy like that

So dangerous
Crazy, can't escape
Run it run it run
There's no time
Don't misunderstand
Don't worry

Yup, gather here, hot swagger
Snap out of it, look at the mood
Get out of the way, beep beep
Hide everything in your young rashness
Seek forgiveness

Roar
Start your engines
It's obvious, lady
La la la la la la la
La la la la la la la
Start your engines
La la la la la la la
It's obvious, lady

Get on the rhythm, burn up
Nothing can stop us
Blank rhythm
Bass kick boom boom
Everything looks easy
Putting everything on with your money
Bounce like oh
Throw your hands up, I'ma do me

Wherever I look, everyone is ninano
Nililia, everyone shake it
Burn up your youth, just stop it now
Break it down now
Roar

No no no, hotly in your heart
Changing your life
It's obvious
Throw it away

La la la la la la la
La la la la la la la
Start the fire
La la la la la la la
It's obvious
Throw it away
Turn yourself back from being ruined

La la la la la la la
