Just listen

Command, command
From now on, I'm scolding
Command, command
Everyone is dead

With your thin arms
When you block me, I already see it
I'll have my nice hat on
You can call me God, I'll beat you
My words are a royal command
You're just a basic commoner
Anyone here? A command is about to drop
So give me your neck

Now come here, you're quite rude, you need a scolding
I'll shut you all up, with all my effort
I'm not the singing beggar I used to be last year
Everyone be nervous
Listen carefully from now on
Command, command
Listen carefully
Command, command

Let's see, who should I see first?
Everyone heads up, look at me
Don't cry, I'll comfort you
If you give me one rice cake
I won't eat you up

Command, command
From now on, I'm scolding
Command, command
Everyone is dead

Attention, at ease
Open your ears and close your mouths
Everyone shh, this is crazy
Match my claps
I can't believe it
When you can laugh, laugh all you can
This is my sarcasm

Everyone's trembling
This fire won't burn out all night
All the fake ones are scared
They can't even get in, how pitiful
They don't even go for it and they blame others or their situation
I'll try my best today
Running faster than my opportunities

Now come here, you're quite rude, you need a scolding
I'll shut you all up, with all my effort

I'm not the singing beggar I used to be last year
Everyone be nervous
Listen carefully from now on
Command, command
Listen carefully
Command, command

Let's see, who should I see first?
Everyone heads up, look at me
Don't cry, I'll comfort you
If you give me one rice cake
I won't eat you up

Did you think it was over?
I didn't even start yet
(I'm sorry for being late)
I was young back then
Didn't know what love was

I was alone, my head wrapped up
Waited for years
I was out of breath, throat clogged up
It was really hard

Till I can see the top
I won't sit down, don't stop
My tears won't dry
They flow, drip drop

You wanna hang out

Listen carefully
Command, command
Listen carefully
Command, command

Let's see, who should I see first?
Everyone heads up, look at me
Don't cry, I'll comfort you
If you give me one rice cake
I won't eat you up
