The summer full of fragrance makes me dance
The sun that resembles you makes me sing
My emotions fly, fly high
Lost in your fragrance, I dance

Follow me one two one two, ready to have fun, you and I
Follow me rollin' rollin', ready to run now

Baby dance with me
Dance with me, let's have fun
The moment I saw you, oh wait don't wake
Into space, no escape, do that dance

Even the deep sea
Showers in the sun
Let's dance
Show yourself
Show me
I'm curious

The summer fragrance makes me dance
Lost in this feeling
The summer fragrance makes me dance
Set the mood
The summer fragrance makes me dance

Bang bang bang
Let's giddy up giddy up
Giddy up giddy up now
Bang bang bang
Let's giddy up giddy up
Giddy up giddy up now

Have more fun
Go crazier, yeah
The summer fragrance makes me dance

Red-orange-yellow-green-pa-ra-sol gets me excited
Do-re-mi-fa melody makes me rock my body
Tonight, I'm hot burnin' high hot
Bounce with me and groove with the rhythm

Follow me one two one two, ready to have fun, you and I
Follow me rollin' rollin', ready to run now
Baby dance with me
Dance with me, let's have fun
The moment I saw you, oh wait don't wake
Into space, no escape, do that dance

Even the deep sea
Showers in the sun
Let's dance
Show yourself
Show me
I'm curious

The summer fragrance makes me dance
Lost in this feeling
The summer fragrance makes me dance
Set the mood
The summer fragrance makes me dance

It's a good day to love
Follow my steps

Kick drum na feel my fill in
Voice with my, it's me there
Don't get too drunk
Follow my feelings
Take my action now

The summer fragrance makes me dance
The summer fragrance makes me dance
Lost in this song
The summer fragrance makes me dance
In this rhythm
The summer fragrance makes me dance

Bang bang bang
Let's giddy up giddy up
Giddy up giddy up now
Bang bang bang
Let's giddy up giddy up
Giddy up giddy up now

With more excitement
Make it look better
The summer fragrance makes me dance
