Are you ready?

Woo, I was so good to you  
Cool, but you don't feel anything

I'm going mad, you got it  
You act however you want, how funny  
Ah (you better watch out)

I'm hurt by you playing with fire  
I don't wanna be in love with someone like you  
Ever again, remember

You better meet someone like you  
Watch out watch out  
Have it passed down to you  
Go through what I did  
How do you feel? No need to act surprised  
Lalalalala gonna play you now  
Bow wow wow wow  
You better meet someone like you  
Don't regret, don't cry  
Even if you pound the floor with regret  
You won't ever find a love like me  
It's too late

Yeah baby watch out  
Let me see, follow in your footprints yeah  
What you gonna do, I'll watch over you, seriously  
That's how it is, nothing more to it  
I'm human too, why would it be different for me?

I'm going mad, I got it  
You act however you want, how fun  
Ah (you better watch out)  
It's another extreme nightmare  
I don't ever wanna have this dream again  
Remember

You better meet someone like you  
Watch out watch out  
Have it passed down to you  
Go through what I did  
How do you feel? No need to act surprised  
Lalalalala gonna play you now  
Bow wow wow wow  
You better meet someone like you  
Don't regret, don't cry  
Even if you pound the floor with regret

Your act is over now  
Before the curtains close  
You're gonna be punished (come on)  
Watch out (every day every night)  
The person who is in deeper  
Gets more hurt in the end  
Now it's time for you to learn, yeah

You better watch out  
(Watch out)  
Gotta gotta get down  
(Watch out)

You better meet someone like you  
Watch out watch out  
Have it passed down to you  
Go through what I did  
How do you feel? No need to act surprised  
Lalalalala gonna play you now  
Bow wow wow wow  
You better meet someone like you  
(You better watch out)

Don't regret, don't cry  
Even if you pound the floor with regret

Trying to feel better  
So I'm erasing you, loosening the ribbon  
Hope you meet someone like you  
Now I have nothing more to say so  
Get out of my way

Lalalalala gonna play you now  
Bow wow wow wow  
You better meet someone like you  
Meet someone like you  
Oh yeah
