Why are you doing this
My body is aching, why am I acting like this?
Why aren't I acting like myself?
I can't do this anymore, tears are falling
Why did this become such a mess? Why am I acting like this?
I have nowhere to go, I'll stop
I have no confidence, I can't even breathe

Wow
Time goes tick tock
Just keeps going without a thought
My days are colored with gray
Days we were together are so awkward now
Even when I touch you, I feel nothing

We have so many similarities
Only worries go ahead of me
(How do you feel)
I'm only saying bad things
In my empty heart
I'll have one tear drop
Promise me
Please, don't cry a lot

Why are you doing this
My body is aching, why am I acting like this?
Why aren't I acting like myself?
I can't do this anymore, tears are falling
Why did this become such a mess? Why am I acting like this?
I have nowhere to go, I'll stop
I have no confidence, I can't even breathe

I open my eyes in the same place every day
You used to be next to me, but now it's just air
Whatever, breaking up is easy
I'm emptying you from my head
But I can't forget you
I hate you so much

When I first held you
Our breaths were hot and trembling
I remember it all, I remember it crazily
Promise me

Please, don't cry a lot

Why are you doing this
My body is aching, why am I acting like this?
Why aren't I acting like myself?
I can't do this anymore, tears are falling
Why did this become such a mess? Why am I acting like this?
I have nowhere to go, I'll stop
I have no confidence, I can't even breathe

My breath is cold
In this pain
It's hard to even say "let's be happy"
Because I'm hesitating
I can't even regret
Why why
