

# Again

SG Lewis

Turn it around  
Start it again  
Turn it around  
Start it again  
Do you turn it around?  
Turn it around  
Start it again  
Turn it around  
Start it again

Turn it around  
Start it again  
Turn it around  
Start it again  
Do you turn it around?

Now he's gonna see  
Lost myself again  
For so long I was right about it all  
Didn't listen to the voices  
Now it starts again  
Now it starts again

Turn it around  
Start it again  
Turn it around  
Start it again  
Do you turn it around?  
Turn it around  
Start it again  
Turn it around  
Start it again  
Do you turn it around?
