

# Higher Ground

SG Lewis

You want heaven on a plate  
Heaven on a plate  
You given up 'cause you see a hurdle in your lane  
So many cause the pain  
But you pick them up then you just throw them all away  
You want heaven on a plate  
But you'll never get a taste

Baby you don't know what it means  
You don't know till you're down, down, down enough  
Drowning in the dreams  
You don't know till you're kicked back off to the shore  
Higher ground is there for you  
Higher ground is yours  
Higher ground won't wait for you  
But you don't know, oh

Heaven on a plate  
You want heaven a plate  
You given up 'cause you see a hurdle in your lane  
So many cause the pain  
You could do but you wanna tell you every day  
You want heaven on a plate  
But you'll never get a taste

Baby you don't know what it means  
You don't know till you're down, down, down enough  
Drowning in the dreams  
You don't know till you're kicked back off to the shore  
Higher ground is there for you  
Higher ground is yours  
Higher ground won't wait for you  
But you don't know, oh

Baby you don't know what it means  
You don't know till you're down, down, down enough  
Drowning in the dreams  
You don't know till you're kicked back off to the shore  
Higher ground is there for you  
Higher ground is yours  
Higher ground won't wait for you  
But you don't know, oh
