SG Lewis

Oh, ooh-ooh, I'm gone, yeah (I'm gone, yeah, I'm gone, yeah, I'm gone, yeah)
Ah, shit, uh, ooh, oh, yeah

I felt your impact (Impact, yeah)
Eyes closed while I ride the wave (The wave)
You love it (Uh)
I'm in the haze (Haze)
Thirty thousand feet, no sleep
I've been trapping for days (Shit man, yeah, for a while)
Your impact (Impact)
Still won't help (Still won't help)
Probably shoulda tried that (Try that)
A lot of shit just fails (That shit just fails)
I had a talk with God (Man, shit)
What I do gon' make my bed (Uh-uh)
Soft pillow where I lay my head (I lay my head, you know?)

I put my guard up on you, girl you'd better quit
I put my guard up on you, hit you with the stiff
I put my guard up on you, you know that I'm the shit
Spill drink all up on it, you know I'm with the shits

I put my guard up on you, girl you'd better quit
I put my guard up on you, hit you with the stiff
I put my guard up on you, you know I'm with the shit
Spill drink all up on it, girl you'd better quit

Ooh, ah
Baby you move my spirit
You make me hit that high and I like it
You got me swooning and I know you can feel it
I'll make you hit that high like a rocket
Oh, ooh-ooh, I'm gone, yeah
I'm gonna make that time for you baby (Oh, ooh-ooh)
Want to get to know you (Let me know you)
Oh I want to taste it
'Cause when we hit that high pretty baby
We got to let it fly and that's enough for now

Don't cha know I'm from the ghetto
So I'm misunderstood (Yeah, I'm misunderstood)
The choppa go echo (Yeah)
I use the sounds from the hood (I use the sounds from the hood)
All the way to the top (All the way)
I never stop (I won't ever stop)
You know I'm straight from the block (Yeah)
Talk shit, red dot
You gon' see a red dot
I ain't 'posed to be a here
Style, wit, counterfeit, only is
I'm still the same, smoking thang pushed away
Young father gotta feed the kids
Are you down? Shit, uh
You fucking with me, girl, girl, are you down? (Hmm)
You fucking with me, damn girl, are you down?

I put my guard up on you, girl you'd better quit

I put my guard up on you, hit you with the stiff
I put my guard up on you, you know that I'm the shit
Spill drink all up on me, you know I'm with the shits

I put my guard up on you, I know you can't resist
I put my guard up on you, I hit you with the stiff
I spill drink all up on you, I'm sippin' on my grip
Impact fell up on you, I'm losin' all my wits

Ooh, ah
Baby you move my spirit
You make me hit that high and I like it
All the distance got me all in my feelings
I'll make you hit that high like a rocket
Oh, ooh-ooh, I'm gone, yeah
I'm gonna make that time for you baby (Oh, ooh-ooh)
Want to get to know you (Let me know you)
Oh I want to taste it
'Cause when we're out the other side, baby (Yeah)
We're gonna let it fly and that's enough for now

That's enough for now
That's enough for now
That's enough for now
That's enough for now
That's enough for now
That's enough for now
That's enough for now
That's enough for now
That's enough for now
