

Plain Sailing

SG Lewis

All my tears
Waterfall
All my fears
From before
Disappear
When you call
All those waves
Don't seem so tall

'Cause now I'm
Plain-sailing
Now I'm
Plain-sailing

Kiss goodbye
Bygone shores
Stay the night
Forever more
Summer breeze
Drift along
Where we're going's
Wonderful and warm

'Cause now I'm
Plain-sailing
Now I'm
Plain-sailing

Plain-sailing
Now I'm
Plain-sailing
