

Throwaway

SG Lewis

Sometimes I know what's right for me
And I'll be here waiting, yeah
Baby, show me all that I can do
I could be the one to guide you through

Baby, take my hand and I'll show you the way
Bring you a little closer, tell you it's okay
I don't wanna be something you can throw away
Baby, take my hand and I'll show you the way
Bring you a little closer, tell you it's okay
I don't wanna be something you can throw away

And I'm falling so hard for you (Falling so hard for you)
Would you be there to catch me too? (Falling so hard for you)
And I'm falling so hard for you
Would you be there to catch me too? Me too

Baby, take my hand and I'll show you the way
Bring you a little closer, tell you it's okay
I don't wanna be something you can throw away
I don't wanna be something you can throw away
Baby, take my hand and I'll show you the way (Show the way)
Bring you a little closer, tell you it's okay (It's okay)
I don't wanna be something you can throw away
Baby, take my hand and I'll show you the way (Show the way)
Bring you a little closer, tell you it's okay (It's okay)
I don't wanna be something you can throw away (Throw away)
Baby, take my hand and I'll show you the way
Bring you a little closer, tell you it's okay
I don't wanna be something you can throw away
