

# Time

SG Lewis

There was harmony in the music  
There was harmony in the behavior of the people  
And we had a good time

Sun's comin' up, I wanna play  
Don't waste his time  
Feels like you're playin' with my heart, babe  
Don't waste his time  
You're makin' me so fuckin' crazy  
Don't waste his time  
Sun's comin' up, I wanna play  
Don't waste his time

(Girl) Oh  
(Come here) Oh (Girl)  
(Come here) Oh (Girl)  
(Come here) Oh (Girl)

See me fadin', come on and love this false horizon, babe  
Feel you hatin', come on, your love is false, show it all  
Hear me wrong, don't hear me wrong, oh, oh, oh  
Just hear me wrong, show me you're wrong, come on, come on, hey

Sun's comin' up, I wanna play  
Don't waste his time  
Feels like you're playin' with my heart, babe  
Don't waste his time  
You're makin' me so fuckin' crazy  
Don't waste his time  
Sun's comin' up, I wanna play  
Don't waste his time  
(Come here) Sun's comin' up, I wanna play (Girl)  
Don't waste his time  
(Come here) Feels like you're playin' with my heart, babe (Girl)  
Don't waste his time  
(Come here) You're makin' me so fuckin' crazy (Girl)  
Don't waste his time  
(Come here) Sun's comin' up, I wanna play (Girl)  
Don't waste his time  
  
(Come here) Oh, don't waste his time (Girl)  
(Come here) Oh, don't waste his time (Girl)  
(Come here) Oh, don't waste his time (Girl)  
(Come here) Oh, don't waste his time (Girl)

Somebody, somebody says  
Come over, come over here  
Come over, come over here
