Watch how I really get loud, like a speaker  
That's his bitch, but that bitch is a eater  
I beef with niggas, that can't get a feature  
I got a gun, what the fuck is a Sweeper?  
Like, we tryna blitz on the Jets  
We got [?], like we play for the Mets  
On the bros, I'ma ride for my set  
I'ma click, 'till theres no bullets left

Like, [?] got beat, and he told  
Free bro, niggas know  
Like, we tryna [?], G in my coat  
Like, bitch, we done lit up the low  
Like, grah, they better ask  
When we on [?], they all on my track  
Niggas know better, know how we act  
Free AP, Mr.-Click-On-The-

Too many opps got caught, got hurt  
We lost bro, we put them guns to work  
Like, bro tryna blitz, when we goin' first  
New opp made sure we smokin' him first  
I'm with [?], tryna dust off his [?] (Where they at?)  
Too many drills, had to manoeuver the V  
Masked up, hoodie down, when we creep  
Every trip got busy, on the scene

We tryna put a opp on a shirt  
We tryna spin through, hit him where it hurt  
Like, who really went out the worst?  
DD kept dissin', his brother in the dirt  
Watch how I'm spinnin', geekin' off the perc  
He tried to up it, I clicked it on him first  
Like, how niggas dying off leg shots?  
Fuck Mdot, I know they hurt

Like, fuck Lotti, Yus got tagged too  
Try to spin through the O, that's a bad move  
Try to run off the beam, we gon' tag you  
Four shots to the top, gave him sad news

Like, grah, bitch I shoot like Wick  
One man down, get another one hit  
He can't ride through the O, bitch, we parkin' that whip  
Hollows burnin' the G, watch him spark with this grip  
Grah, he got shot in his leg, he was runnin' like Flash  
Hit that corner, he better not trip  
It got lit, and he ran to his bitch  
Like, smoke a blunt, that's a G in this spliff  
Think it's sweet, tried to spin, but it wasn't  
Like, he get tagged, if the clip gon' touch him  
161, if he go live, we gon' punch him  
Like, he was bluffin' that shit, no, he duckin'  
L'zz here, so you know we got Glocks in the function  
Got this thot in spot, and she fuckin'
