(Young Madz)

Pow, pow, pow (Nigga, everything fuckin' dead, nigga)  
OGz the fuck up, everything K nigga, don't get it confused, nigga  
I'm big die Jet, nigga (Uh-huh)

I do good when I spin with the bros, but when I go dolo, it's better  
I lost my old beam, I had to get me a new G, this shit pokin' out the  
sweater  
They told me: "Focus up, nigga you slackin'", that's why he sent me a  
letter  
Fuck [?], I can't wait 'til that bro touchdown, I'ma be waitin' a str  
etcher

I've been fiendin' to catch me a—  
I've been fiendin' to catch me a Jet  
If we piece them niggas with the left, RPT-K, nigga, 'till the death  
And why you keep sending them threats? Three months home, you ain't e  
ven step  
Nigga, fuck Jo Burna, nigga got put in a wheelchair before his death  
Word to my dead, this shit nothing to me, how many blocks got spinned  
in a week?  
We had them ducking on 163, and [?] gang, we ain't need a V  
We pull out one in the X, I'm not tryna fall in love with this tat'  
Lotti and Glo, they hit the best, MDot and Rah, they punch your chest  
They linkin' up with them niggas that left Boomer die (Boomer)  
They don't do shit for they set  
She on they structure, we tryna post up [?]  
For the set, I been throwin' the Jet  
But don't get it confused, we chased Jay5ive, and that boy gettin' bo  
omed  
And I still wanna know why y'all every O shot, Free 30, Free CJ Goon

I do good when I spin with the bros, but when I go dolo, it's better
