You better duck if you see me, he wanna be me
That's why we don't get along

I put them lil' niggas on, don't forget that
EK just hopped out the OJ
Don't run, I ain't let em' trip
Hop out the V and niggas have to blitz
DOA-K, all that shit to my dick (On gang)
Dougie B he got shot in the leg, what the fuck?

Now I'm focused 'cause I'm gettin' money
Smokin' the Jet, I'm still smokin' on Dummy
Love my fans 'cause I know that they love me
And I'm still here
Since young they told me not to show fear
I can't be like Pablo in that wheelchair (Pablo)
Gang-gang-gang

I could talk how I want, 'cause I'm wit' that
I put them lil' niggas on, don't forget that
