

For The Block

Sha EK

(It's Kosfinger, baby)
(Alpha)
OGz the fuck up
Gang, gang, gang
Everything dead, gotta stand on that shit
Grrah

How the fuck y'all gon' tell me they better than me when I already know that they not?
Bro got locked for a shootin', he in the cell, he not scared 'cause he know how to box
Free Dot, he got jail up on timin', ain't walkin' with scalp in the spot
And you know I'm not makin' no shit for the radio, I'm makin' s hit for the block

This how it go in the street, you get three years max you get caught with the heat
Before I got signed, I had to survive out here, I was puttin' up ten K a feat
All this shit that I rap my life, most of these niggas that dis s not nice
And we really knew most of the opps since kids, them niggas really can't fight

'Member them days boolin' every night
Punch on an opp, hit 'em with a bite
That's where I came from, now I'm the face of my label, got these pussy niggas tight
Free Layo, he be throwin' up Ape, that's my brother, I love him for life
And we really got twenty-two shots when we ridin' around with the bros on sight

How the fuck y'all gon' tell me they better than me when I already know that they not?
