Uh-huh

I'ma dump if they walk out that building  
Word to bro, I'm not shooting at children  
Word to bro, I'm not hitting civilians  
'Cause if I do, my bail gon' be a million  
I'ma spin like that shit on the ceiling  
Before I did drill rap, bitch, I was drilling  
Bitch, my .45 kick when it blow  
But I know that they don't know that feeling

Droppin' the Jet, they not outside  
Give me the lo', I'ma slide  
I'ma park up on they side  
I'ma pop out like, "Surprise"  
If he throw up the Gz, then that boy gotta die  
But I'm tryna pull up on throw on Jay5ive  
When my pole jam up, I said, "Fuck," so bro had to pass me his .9

I'ma slide with a O, I'ma slide with a Makk  
Mdot got hit, niggas better get back  
Throw up the Jet, you get put in a pack  
I see a opp, I'ma click with no mask  
I'm on 184 and I'm looking for Doubles  
Smoking on Pop, he got popped like a bubble  
If I don't got my G, he get beat with my knuckles  
Throw up the Gz and I'm throwing a couple  
After I fuck, I don't wanna cuddle  
Macho the brain and, bitch, I'm the muscle  
I'm stuck in that field and I pray I don't fumble  
Like, scoring like Tino, I'm balling like BJ  
They was confused, I was bending with EK  
Like, I catch a hit then we get on the freeway  
Like, I catch a hit then we get on the freeway

I'ma dump if they walk out that building  
Word to bro, I'm not shooting at children  
Word to bro, I'm not hitting civilians  
'Cause if I do, my bail gon' be a million  
I'ma spin like that shit on the ceiling  
Before I did drill rap, bitch, I was drilling
