

Last One Left

Sha EK

(EMRLD) Free my fucking brothers
Rest in peace my guys
I'ma hold this shit down for everybody
I'm the last one left

I can't lose my mind over this shit, baby, I'm solid
I made it out and I ain't even go to college
Fuck it, they gon' call me dumb
I don't give a fuck, 'cause I be walkin' with my gun
Go get back, get back for your son
He was sayin "Poppa Jiggy" now that nigga in my lungs
I be goin' through shit, but I'm never gon' fold
Leave my mother happy, 'cause she see me gettin' old

I told her to take my gun
When the opps see me, this shit gon' blow so fast
It don't matter if a one nigga run, tell them niggas I'm a shooter
My bitch bad, when I fuck her, I abuse her
Pussy so good when she brought bricks, I wanna boom her
I just set the tone, lil' bae don't listen to the rumors
This how shit get in the Bronx, niggas be cappin'
We gon' smoke his dead, but they gon' get caught when they lack in'
Rappin' gotta work, or we goin' right back to trappin'
I was dead broke, but some way, I made it happen'
Some way I made it happen'
When they used to see a nigga down, they started laughing
They ain't tell me go and get that bread, they told me clap shit
Go and get that rat, tuck a brick, go and blast shit
Go and catch a hell, put a nigga in a casket
Now I do this for my daughter, I'ma make sure she have shit

I can't lose my mind over this shit, baby, I'm solid
I made it out and I ain't even go to college
Fuck it, they gon' call me dumb
I don't give a fuck, 'cause I be walkin' with my gun
Go get back, get back for your son
He was sayin "Poppa Jiggy" now that nigga in my lungs
I be goin' through shit, but I'm never gon' fold
Leave my mother happy, 'cause she see me gettin' old
