

## Menace

Sha EK

They not gon' let me perform in my city cause they tryna say I'm a menace  
All of my guys locked up this year so I was covering my weapon  
Niggas was telling me they want me to win but they don't, that's why  
I'm payin' attention. When they ask "Who really did it on they own?" I be the nigga they mention

Shout out my haters, they got me far. They the reason a nigga a star.  
I dare lil nigga walk up to my car  
Skied up cause bitch I'm the youngest in charge. Before I was lit they was stealing my bars.  
They gotta ask about me in the streets  
Why the fuck they was acting like they was around but they was no where near me.  
Pussy, suck my dick nigga

I ain't beefing with lil niggas who walk around with the cops nigga.  
You just mad that ya'll niggas got shot nigga  
OGZ the fuck up, everything dead gotta stay on that shit  
Fuck the other side of New York they be dissin' me watch how my niggas gon step  
Lefty was always by a nigga side I swear that I love him to death  
Say you was smokin' my deads we was making amends. Yeah you walk with the nine I walk with the tec  
Big OGE, I still be throwing up O's how I'ma switch on the set?

They not gon' let me perform in my city cause they tryna say I'm a menace  
All of my guys locked up this year so I was covering my weapon  
Niggas was telling me they want me to win but they don't, that's why  
I'm payin' attention. When they ask "Who really did it on they own?" I be the nigga they mention
