You OG right?

When the fuck they gon' say I'm the face?
I really put some niggas in they place
Two brothers, caught up in the eighth
Heard lil' Shhh, got shot in his face
I used to put the O to the Y
But word to my mother, all them niggas plates (Die Y)
Opp thot wanna fuck cause I'm famous, had to tell that lil' bitch too late

D's on our dick, we put them on a chase
And we totin' on knocks, we not totin' on mace
Brodie on bail, and I can catch a case
Like, we takin' risks everyday
And we know that, if I see that lil' Sweep, I'ma blow that
[?] took a shot told him hold that
They tried to say that they threw, they ain't throw back
Fuck a cousin, nigga we throwin' shots at our cousin
OGE callin' my phone like "I'm buggin'"
I said it's up and it's stuck cause they gunnin'
Big OGz, I ain't goin' for nothin' (OGz)
Like the way I hit it when we fuckin'
I brought it back, and y'all niggas be tuckin'
I'ma throw shots if I see my heart rushin' (Bow, bow, bow)

When the fuck they gon' say I'm the face?
I really put some niggas in they place (Uh-huhh)
Two brothers, caught up in the eighth
Heard lil' Shhh, got shot in his face
I used to put the O to the Y
But word to my mother, all them niggas plates (OYK)
Opp thot wanna fuck cause I'm famous, had to tell that lil' bitch too late

Where Nesty? Bitch I'm on the eighth
When I bend through 94, I was lookin' for Saint
Die 5, can't tell me you smokin' on Tray
Chico got killed he got left in broad day (Chico)
See I get courts, you can't do the same way
I be smokin' on Lilah, but I'm smokin' Roshane (Shane)
Now I be smokin' on Caine (Caine)
They know my body before all the fame (Fame)

When the fuck they gon' say I'm the face?
I really put some niggas in they place
Two brothers, caught up in the eighth
Heard lil' Shhh, got shot in his face
I used to put the O to the Y
But word to my mother, all them niggas plates
Opp thot wanna fuck cause I'm famous, had to tell that lil' bitch too late
