

Shake That

Sha EK

I'm a shooter, I step in my fashion
On a drill, I don't think about passin'
Oh, that's his bitch, so we callin' her Bri Bri (Bri Bri)
'Cause that bitch always doin' dick
And I told you I'm smokin' your mans (Mans)
We get jiggy, you know how we dance (Dance)
Throw up O's and them bitches gon' shake that
Like shake that, shake that
We get money, but we get your mans
I get mad when they talk on my brothers
Like BDot my day one
He gon' see when that day come
If a opp cross to line, I'ma lace 'em
Bitch, I'm OGz, only thing I rep
And I been throw' up O's when we fuckin'
I told her shake that, shake that, shake that

Shake that
I make that shit they gon' playback
She let me fuck but don't say that
Those the opps, bitch, you better not play that
Shake that
'Cause a drilly nigga gettin' shot
And a baby nigga gettin' rocked
And a flocka nigga gettin' flocked
Shake that

Doa K, I'm the face of the Bronx
Walk through my hood and I do what I want
If it's up then it's stuck, then it's stuck then it's stuck
Baby girl, you know I keep this shit tucked
And that lil' nigga ran out of luck
OY OGz got her pullin' up
Come with us first, 'cause we all tryna fuck
I'm with the gang all I need on my next one
So I'll feel like the best one
She wanna fuck with a shooter
Spin the block, gotta bust a maneuver
Fuck my last bitch, she a loser
Only hang with them demons and ooters
I said faster the gang tryna do her
I told her shake that shake that, shake that

Shake that
I make that shit they gon' playback
She let me fuck but don't say that
Those the opps, bitch, you better not play that
Shake that
'Cause a drilly nigga gettin' shot (Shot)
And a baby nigga gettin' rocked (Rocked)
And a flocka nigga gettin' flocked (Flocked)
Shake that
I make that shit they gon' playback
She let me fuck but don't say that
Those the opps, bitch, you better not play that
Shake that
'Cause a drilly nigga gettin' shot (Shot)

And a baby nigga gettin' rocked (Rocked)
And a flocka nigga gettin' flocked (Flocked)
(Bow, bow)
