

Too Oppy Pt.2

Sha EK

(Alpha)
(Dottie, this one is crazy)
Suck my dick
(Lean cost more than your rent)
OGz the fuck up
Don't run

It don't matter, I'm everything-K
The 'Rips got mad when I spun through the Rey
I told them niggas, "I'm smokin' on Blay"
Y'all niggas don't really do what y'all say
Like, we tryna spin and catch Yagi
If he lack on the 6, that's a homi'
We was just spinnin' together, homie had a pole, once he died,
started smokin' on Bobby

Once you diss, ain't no takin' it back
I'm wit' Trips and he throwin' up Makk
They like, "Ek get too oppy," niggas felt a way when they saw I
was droppin' the Hat
Jay what? He gotta go
Tell Sdot, "Niggas got the lo'"
Nazzy gon' end up like Nazzy, dead on his strip, we leavin' bra
ins on the floor

It don't matter, I'm everything-K
The 'Rips got mad when I spun through the Rey
I told them niggas, "I'm smokin' on Blay"
Y'all niggas don't really do what y'all say
Like, we tryna spin and catch Yagi
If he lack on the 6, that's a homi'
We was just spinnin' together, homie had a pole, once he died,
started smokin' on Bobby

We got love for some niggas we dumped on, like, who the fuck is
a Dudey?
I went to Harlem and ran that block, didn't one of y'all lil' n
iggas shoot me
Them niggas gettin' beat up on The Rock, ask them what happened
to Poudi
I'm smokin' Caine, that nigga pain, when we spun through that b
lock, we was two deep (OYK)

It don't matter, I'm everything-K
The 'Rips got mad when I spun through the Rey
I told them niggas, "I'm smokin' on Blay"
Y'all niggas don't really do what y'all say
