(Lean cost more than your rent)
(Oh, please, Aston)

I started all of this Bronx drill shit, if it wasn't for me, no
body'd rap
And I don't give a fuck how they feel when I say it, if y'all w
as, y'all niggas was whack
I was young, really tryna do big bro shit, you was down, I gave
 you a pack
And when niggas thought I wouldn't make it, I watched everybody
 turn they back
I started all of this Bronx drill shit, if it wasn't for me, no
body'd rap

 you a pack

 turn they back

Now I buy Celine to go sleep in this shit, I'm in different ren
tals every week
I really go and give my mother thousands and I love when she gi
ve me that speech
I gotta ride with the knocks in the whip even though she be pra
yin' for me
'Cause I seen how this shit get real, I ain't gon' be the nigga
 gettin' killed
I was thirteen when I jumped in the field
Watched some niggas get punched tryna sell fake pills
And we not buyin' lean if that bottle not open, you gotta pop t
hat seal
I lose my mind when I run into opps, I almost shot my brother o
n a drill
Free all my niggas that copped out doin' they time, hope they g
et an appeal
