

WTF Is A Sweeper?

Sha EK

OGz the fuck up

Get out the V if you not totin' chop
We on the drill smokin' M with the Dot
Big die 4's, throw up 4's and you shot
But I'ma go bend with the sweeps on the opp
[?], how you get caught with a thot
Don't get killed lackin' off your block
I keep hearin' they droppin' the O, we smoke [?], mix it with the Glo
We tryna blitz and push up on they show
What the fuck is a Sweeper? Nobody know
I don't be dissing them niggas on songs no more but they know I be dr
oppin' the Cho
But It's 1300 to my dick
Free Dot, bro make it lit
When they seen me at Court, niggas made a scene and started bluffin'
like they had the stitch

They like Boubu, you makin' it hot
Why would I cuff her? I just want the box
Big C.O.E nigga we got the spot
Since a jit I was totin' my chop
I was 13, I was runnin' my city
Been [?] my way, fuck the clout
I been workin', tryna get a right
Niggas be hatin', tryna call me out
Look, brodie he buggin' he popin' the perc
Book us a telly, put dick in her belly
We tryna blitz, put the Glock in her purse
I push up on me, I make this shit work
[?] got back, nigga I ain't complain
Come around me with a chain, you a stain
[?] fresh home, nigga he tryna flame
Been in the stu', I been spittin' out game

Get out the V if you not totin' chop
We on the drill smokin' M with the Dot
Big die 4's, throw up 4's and you shot
But I'ma go bend with the sweeps on the opp
[?], how you get caught with a thot
Don't get killed lackin' off your block
