

## Slow Down

Shablo

Wish that you came last night  
I'm just as busy as you  
You'll pass by at night  
Not in the morning, not in the morning  
Your eyes diamonds, flawless, [?]  
Put me down, I can't take anymore

We gon' party 'til sun up, 'til sun down  
Your love, my heart, I can't love who can't come down  
Bad luck, girl, come turn around, turn around, come push up  
Mad luck, girl, come turn around, turn around like you worth some'  
Like this, can't start and get off like this  
Push "Start" to get off like this  
Oh no, I can't get like this  
One touch takin' off like this  
How far we gon' get like this?  
Tell me how'd we get like this?  
How'd we get like this?  
Tell me how we get like this?

Ti dico: "Slow down"  
Vorresti scoprirmi pure downtown  
Se muovo i miei fianchi e tu vai in blackout  
Tu mi vuoi now  
Tu mi vuoi now, now, now  
Ti dico: "Slow down"  
Come i ragazzini al loro primo round  
Ti tolgo i vestiti e tu vai in blackout  
Tu mi vuoi now  
Tu mi vuoi now, now, now

Twenty-four to forty-eight hours  
You've been on my bed as such  
Last call of alcohol  
Bring your friends, get involved  
You've been on my head as such  
No one ever cared that much  
Turn up like it's 1999  
Shawty wants some [?]

We gon' party 'til sun up, 'til sun down  
Your love, my heart, I can't love who can't come down  
Bad luck, girl, come turn around, turn around, come push up  
Mad luck, girl, come turn around, turn around like you worth some'  
Like this, can't start and get off like this  
Push "Start" to get off like this  
Oh no, I can't get like this  
One touch takin' off like this  
How far we gon' get like this?  
Tell me how'd we get like this?  
How'd we get like this?  
Tell me how we get like this?

Ti dico: "Slow down"  
Vorresti scoprirmi pure downtown  
Se muovo i miei fianchi e tu vai in blackout  
Tu mi vuoi now

Tu mi vuoi now, now, now  
Ti dico: "Slow down"  
Come i ragazzini al loro primo round  
Ti tolgo i vestiti e tu vai in blackout  
Tu mi vuoi now  
Tu mi vuoi now, now, now

I might fall in, I might fall in  
I need more, give some  
Love me more, oh, let's go (Mhm-mhm)  
I might fall in, I might fall in  
I need more, give some  
Love me more, oh, let's go (Eh-eh-eh)  
Da soli in una stanza  
Crollerà anche il pavimento se chiedi di più  
Non riesco a non dirti basta (Tu fai con calma)

Ti dico: "Slow down" (Yeah)  
Vorresti scoprirmi pure downtown (Yeah)  
Se muovo i miei fianchi e tu vai in blackout  
Tu mi vuoi now  
Tu mi vuoi now, now, now  
Ti dico: "Slow down" (Yeah)  
Come i ragazzini al loro primo round (Yeah)  
Ti tolgo i vestiti e tu vai in blackout  
Tu mi vuoi now  
Tu mi vuoi now, now, now
