

Finally Over

Shaboozey

Something in the distance
And as it gets closer
Oh my heart beats faster
The air grows colder
All my pasts have come to meet me
And I'm facing off again

Staring down the whiskey
Longing to be sober
All my friends have got careers
And mine just might be over
If I don't sell my soul again
For another viral moment

Yeah yeah
I'm good if it's all over (I'm good if it's all over, all over)
Yeah yeah
I'm cool if it's all over (I'm cool if it's all over, all over)

In a cage match with my shadow
And yeah the keep on scoring now
Damaging my wounds
Is how I spend my mornings
I'm scared I might back down
But afraid to keep on going

I've been trying to talk to Jesus
Shouting at the altar
Is it too late for forgiveness?
Or am I sent to slaughter?
Oh I don't know where I'm going
But I sure ain't going back

Yeah yeah
I'm good if it's all over (I'm good if it's all over, all over)
Yeah yeah
I'm cool if it's all over (I'm cool if it's all over, all over)

Yeah yeah
I'm good if it's all over (I'm good if it's all over, all over)
Yeah yeah
I'm cool if it's all over (I'm cool if it's all over, all over)

I'm looking for a reason
To hold it all together
Will I spend my final days
Tryna chase a dollar
I can't sell my soul again
For another viral moment

One, two, uh

Yeah yeah
I'm good if it's all over (I'm good if it's all over, all over)
Yeah yeah
I'm cool if it's all over (I'm cool if it's all over, all over)

Yeah yeah

I'm cool if it's all over (i'm cool if it's all over, all over)

Yeah yeah

I'm glad it's finally over
