

# Maybe Someday

## Shadow Project

I gave my heart, it's what I gave  
I opened my chest, it falls out to the floor  
I opened my eyes to see the truth  
What do I see?  
What do I see?  
What do I see?  
I see your foot, it's coming down  
And the other will follow soon  
I see your foot, it's coming down  
And the other will follow soon

Why did you do it to me?  
Why can't you see this love I give?  
Why did you do it to me?  
Why can't you see this love I give?  
This love I give  
This love I give  
This love I give

I'd give my heart  
If there was anything left  
I wasn't taught  
This lover's game  
Lover's game  
Now my heart  
It has no more  
I've lost the key to the door  
To the door

Maybe someday I will feel it again  
And someone like you can kill it again  
Maybe someday I will feel it again  
And someone like you can kill it again

Why did you do it to me?  
Why can't you see this love I give?

Why did you do it to me?  
Why can't you see this love I give?  
Why did you do it to me?  
Why can't you see this love I give?  
This love I give  
This love I give  
This love I give

Brother, where were you?  
You weren't around  
Brother, how can he do this with a smile on?  
I still see his crushing smile  
I still cry once in a while  
I still see his crushing smile  
I still cry once in a while

Why did he do it to me?  
Why can't he see this love I give?  
Why did he do it to me?  
Why can't he see this love I give?

Why did he do it to me?  
Why can't he see this love I give?  
Oh lord, why did I do this to me?  
Why can't I see this love you give?  
Why did I do this to me?  
Why can't I see this love you give?  
This love you give  
This love you give  
This love you give  
I need all your love within  
I need your love to live
