

Bark at the Moon

Shadows Fall

Screams break the silence
Waking from the dead of night
Vecence is boiling
He's returned to kill the light
They when he's found who he's looking for
Listen in awe and you'll hear him

Bark at the moon

Years spent in torment
Buried in a nameless grave
Now he has risen
Miracles would have to save
Those that this beast is looking for
Listen in awe and you'll hear him

Bark at the moon

They cursed and buried him
Along with shame
And thought is timeless soul had gone
In empty burning hell - unholy one
But now he's returned to prove them wrong (oh no)
Howling in shadows
Living in a lunar spell
He finds his heaven
Spewing from the mouth of hell

And when he finds who he's looking for
Listen in awe and you'll hear him
Bark at the moon.
