

The Power of I and I

Shadows Fall

We are given
The gift of creation.

We are given
All of the light
And purity of the universe.

We are the ones
Who will create
The snarling beasts of human nature.

World within myself
ALL IS ONE!
The power of I and I

True piece of mind
Is not bestowed
Upon us by the heavens.

The evils of man
Are spawned within
The confusion of our own mind.

World within myself
ALL IS ONE!
The power of I and I
World within myself
ALL IS ONE!
The power of I and I

Hiding the purity that flows
From the root of which we rose.

We are given
All of the light
And purity of the universe.

We are the ones
Who will create
The snarling beasts of human nature.

World within myself
ALL IS ONE!
The power of I and I
World within myself
ALL IS ONE!
The power of I and I

ALL IS ONE!
