

# War

## Shadows Fall

Until the philosophy  
That holds one  
Race Superior  
And another inferior  
Is finally and  
Permanently discredited  
And abandoned  
There will be...

War!  
In the East  
War in the West  
War!  
Up North  
And in the South  
Prepare for war!

Until the color of a man's skin  
Is no more significant  
Than the color of his eye  
There will be war...  
There will be war...

War!  
In the East  
War in the West  
War!  
Up North  
And in the South  
Prepare for war!

Prepare for war!  
Prepare for war!

And until that day  
The world will not know peace  
We will fight if necessary  
And win this war...  
And win this war...

Prepare for war!
