

Isn't it tragic?
You're never by my side
I knew this would happen
No one to hold me when I cry

Oh I wanna party with you
Why oh why won't you tell me the truth?

I got dizzy drinking whiskey with myself
I got dizzy drinking whiskey with myself

I thought we were friends
I thought you were by my side (oh well)
A quarter to midnight
I'm starting to think you flat out lie

Oh I wanna party with you
Why oh why won't you tell me the truth?

I got dizzy drinking whiskey with myself
I got dizzy drinking whiskey with myself

Stay (hey) at my place (hey)
I wanna party with you
Pray (hey) all day (hey)
I wanna tell you the truth

I got dizzy drinking whiskey with myself
I got dizzy drinking whiskey with myself

I got dizzy
So dizzy
I'm dizzy with myself
Dizzy
So dizzy
I'm dizzy with myself
