

## High Dive

SHAED

Jump off the high dive  
Praying for 10's and 9's  
Splash like a high-rise  
Nothing but 4's and 5's

Slow and fast  
Hope it lasts  
Tasted gold  
I met the devil and I

Sold my soul  
Got everything my heart desires  
Sold my soul  
Got everything I want but I'm not satisfied

My poor soul

Jump off the high dive  
Down through the earth I go  
I hit the bulls-eye  
Was dying to say hello

Slow and fast  
Hope it lasts  
Tasted gold  
I kissed the devil and I

Sold my soul  
Got everything my heart desires  
Sold my soul  
Got everything I want but I'm not satisfied

My poor soul

Jump off the high dive  
Don't know if I survived...

Sold my soul  
Got everything my heart desires  
Sold my soul  
Got everything I want but I'm not satisfied

My poor soul
