ISOU

SHAED

Wide awake
Won't you give me space
Take a holiday
Take a break... down
It's enough
That we never touch
Is it even love or con-ve-nience?

I can't listen when you run your mouth (Run your mouth)
Try to listen when I spell it out (Spell it out)
Another story I could live without
Another reason I've been having doubts
Guess I'm gonna have to spell it out

ISOU
I'm so over you
ISOU
I'm so over you

I don't know what's inside your phone
Spend my nights alone
But you're beside me
It's a trend
Everything depends on the mood you're in
What about me?

I can't listen when you run your mouth (Run your mouth)
Try to listen when I spell it out (Spell it out)
Another story I could live without
Another reason I've been having doubts
Guess I'm gonna have to spell it out

ISOU
I'm so over you
ISOU
I'm so over you

Always run your mouth (run your mouth)
Are you listen, listen, listening (spell it out)
Always having doubts (having doubts)
Better listen, listen, listen in (better spell it out)

ISOU
I'm so over you
ISOU
I'm so over you

ISOU
I'm so over you
ISOU
I'm so over you

I'm so over you
You
You
