Part Time Psycho

SHAED

Wake up and I'm right as rain
Smilin' out the windowpane
Somethin' pullin' on my chain
Twistin' the wires in my brain

Ooh-ooh-ooh
The voice in my head makin' me bad
Ooh-ooh-ooh

Darlin', I've always been a part-time psycho
Ah-ah-ah-ah
I've always been a part-time psycho
Ah-ah-ah-ah
I've always been psycho

Runnin' just to clear my head
Wavin' at the flowerbed (Hi)
See my shadow up ahead
With dozens of arrows in my chest

Ooh-ooh-ooh
The voice in my head makin' me bad
Ooh-ooh-ooh

Darlin', I've always been a part-time psycho
Ah-ah-ah-ah
I've always been a part-time psycho
Ah-ah-ah-ah
I've always been psycho

Always been psycho

Too late to let it go (Let it go)
Too bad I've lost control (I've lost control)
Stop tryin' to put me under
You won't bury me, oh no

I've always been psycho

I'm psycho
I've always been psycho

I'm psycho
I've always been psycho
