Shaggy

[?] no way  
Mi say mi love you from now till the day  
Oh wow wow oh  
Do it ja!

I will always love you  
And I don't wanna see you cry  
Don't wanna see the tears in your eyes  
And I will always be there  
I'll be right here by your side  
Forever you and I

Look me in the eyes when I tell you this  
Girl I never hurt you, not even a little bit  
Gonna cross my heart, seal it with a kiss  
And let you know that you I will never diss  
This is not a trick, neither politics  
Didn't come to play no games, girl, I'm legit  
Only came to let you know how I really wish  
That you and I will be together, yeah I promise this

I will always love you  
And I don't wanna see you cry  
Don't wanna see the tears in your eyes  
And I will always be there  
I'll be right here by your side  
Forever you and I

This is a serious situation  
And I promise you my full dedication  
I'll do it never really meet preparations
