

You

Shaggy

You, you, you
Girl, I see you, you, you, ay

In a crowded room with noise
I hear your voice
With a sea of people
You're my only choice
(Come on)

From a distant summer
You captured my heart
I been hit by Cupid, baby

'Cause all I see is you, you
You, you, you, you, you (All I see is you, girl)
All I see is you, you
You, you, you, you, you (Come on)
'Cause all I see is you, you
You, you, you, you, you (All I see, girl)
All I see is you, oh

Gyal, you give me tunnel vision
It's like I got blinders on
(All I see is you)
And there's no doubt or question
Who I got my mind on
(All I see is you)
I think about you all day long
I wanna be with you all night
(Come on)
Through everything you hold me down
You're always by my side (Ay)

When they try to plot and scheme
To come between you and me
(All I see is you)
And in all honesty
I decline respectfully

'Cause all I see is you, you
You, you, you, you, you (All I see, girl)
All I see is you, you
You, you, you, you, you (All I see, girl)
