

Funky Junky Monkey

Shaka Ponk

Peace out

I'm just a junky monkey
It's not just a part of me
I'm living on a big tree
Con my monkey family

If you wanna tease
You've got to shake me please
Shake the brother psycho
Drinking the coco

Does my vida loca fuck up the project that you made
'Cause I need a blade to make my day

We don't wanna be a guide
Just a question of pride
We're not playing on bongo
That's a fact I know

Never been to 'Frisco
With no star psycho
If you wanna cease
You've got to shake me please

So you come back later, you will find another flame
'Cause I need the fame to make my day

Right now I'm F.J. Monkey

This is nada pinky
Wanna kisses
On the pinkie
Wanna come ah
Befo' basta
Wanna funky

For the monkey
Peaces of a sticker
For the colors
In my casa
Want a AC
And a DC
For the dances
Of the monkey
Check it out

What you said
You've got to understand me
I'm just a funky junky monkey
What you said
You've got to understand me
I'm just a funky junky monkey

Take the crowd and shake it, Mister Tireless
Mama is asleep now
Dance upon my face

I'm the kind of priest
I'm naked like a beast
If you wanna tease
You've got to shake me please

So you come back later, you will find another flame
'Cause I need the fame to make my day

Right now I'm F.J. Monkey

There's no other place to be If you wanna dance with me
I love you more than I know how, but I'm the monster
There's a sick sick story on this CD lady
I love you more than I know how, but I'm the monster

This is nada pinky

Befo' basta
