

Just a Nerd

Shaka Ponk

What's wrong in your mind
There is no mo' u and I since you saw the otha guy
You know, men are weak, since you met the otha freak,
There s no mo' me!

Don't ge me wrong, don't make me lie
I'm in powa-meditation cause I donwanna go down
Don't make me cry
You're a supa-contradiction, I'm just typical nerd...
...a common bird
I don't know what to do with u (story o' my life)
Oh girls, love loco worlds,
Story of my life I said, I'm a number two...

...but that' all right, I ain't gonna die
I'm in powa-meditation cause I donwanna go down
Don't make me cry!
Your in supa-exposition, me I'm just alone but it's all right.
