

# Multiply

Shaka Ponk

The train's going oh so fast  
Heart's beating the hour-glass  
Wish I could multiply  
We'd better multiply  
Clones all around the world  
I'm not that kind of girl  
You're not that kind of guy  
Let's keep on multiply

Fucked up electro mundo  
Fucked up elastic ties  
Watch out the multi-clowns  
Spreading out the multi-lies  
I'm drowning in my own kind  
I'm choking in my ties  
We're running low by running wild

The species tree is about to crack  
A million monkeys on my back  
Stop fuckin' multiply  
Before we multi-die  
We use to crack in a macho for my mind  
We gonna lick it and make it more supply  
I used to love sometimes  
I used to love my electro mundo

Fucked up electro mundo  
Fucked up elastic ties  
Watch out the multi-clowns  
Spreading out the multi-lies  
I'm drowning in my own kind  
I'm choking in my ties  
We're running low by running wild  
We're just running wild

Stop running wild, and give up, multiply  
Stop running wild, and give up, multiply  
Stop running wild, so give up, multiply  
You gotta run, run, run, run, run, run, run, run, run, run  
You gotta run, run, run, run, run, run, run, run, run, run

I'm drowning in my own kind  
I'm choking in my ties  
We're running low by running wild  
Running wild  
Oh, yeah  
We're running wild  
Stop running wild
