

My Boom Is Bumping

Shaka Ponk

Well well, let me tell you how we feel:
In my own body its x-mum chemical
You know where I go when I buy da coco,
I'm searching high and low, it's critical

Time flies so I wanna be alive
Time flies so I wanna be alive

I'm da mada ponky, shaka dead into
My heart is bumping and there's nothing i can do
Never been so jumpy , ' don't know what da do
My Boom Is Bumping cos' you fuck my head in two
