

# Ring Ring Ring

Shaka Ponk

Once again it's another rap bandit  
Fiending at I, and I can't stand it  
Wanna be down, with the day-glo  
Knocking on my door, saying "A yo yo"  
Knocking on my door, saying "A yo yo"  
"I got a funky new tune with a fly banjo"  
I can't understand what the problem is  
I find it hard enough dealing with my own biz  
How'd they get my name and number  
Now I stop to think and wonder  
'Bout a plan, yo man, I gotta step out town  
You wanna call me up? Take my number down  
It's 222-2222  
I got an answering machine that can talk to you  
It's 222-2222  
I got an answering machine that can talk to you

Hey, how ya doin'?  
Sorry ya can't get through!  
Why don't you leave your name and your number  
And I'll get back to you  
Hey, how ya doin'?  
Sorry ya can't get through!  
Why don't you leave your name and your number  
And I'll get back to you

Exit the old style, enter the new  
But nothing's new 'bout being hawked by a crew  
'Should I say flock 'cause around every block  
There's Harry, Dick and Tom with a demo in his palm  
I'm with helping those who wants to help themselves  
And flaunt a nut that's doggy as in dope  
But it's not the mood to hear the tales  
Of limousines and pails of money they'll make like a pro  
Like a pro  
Like a pro  
Like a pro  
I be like "Yo black, just play me the tape"  
I be like "Yo pale, just play me the tape"  
I be like "Yo pale, just play me the tape"  
I be like "Yo pale, just play me the tape"

Hey, how ya doin'?  
Sorry ya can't get through!  
Why don't you leave your name and your number  
And I'll get back to you  
Hey, how ya doin'?  
Sorry ya can't get through!  
Why don't you leave your name and your number  
And I'll get back to you

Hey you done the right thing  
Dial up my ring ring now you're waiting on the beep  
Say, I would love if you sing  
The tune to tru instead of fronting on the speak

Hey, how ya doin'?

Sorry ya can't get through!  
Why don't you leave your name and your number  
And I'll get back to you  
Hey, how ya doin'?  
Sorry ya can't get through!  
Why don't you leave your name and your number  
And I'll get back to you
