

Story O' my LF

Shaka Ponk

This is the story'O my life
Trying to find'O camino
Turning el todo upside down
Untill da final tornado
Making every shit wrong seem'right
And being acting liked surprised
When by the End we realise
We go an ego camino

[Verse 1: Beat Assaillant]

Heres' my life story and it's far from fiction
One part love and two parts addiction
Mix it with a little bit of fun for details
Things are goin down ain't no time to waste so
I'm a hit the trail till I get those pesos
Wait tho-I still can't forget my hombres
Always we stay soakin up them sunrays 8
More trails we blaze we some happy pilgrims
You coppin attitudes then it's time to chill son
We're comin home it's a big fiesta
Wear your best threads and your ears 'R ringing
That's about now if you heard me, right-hold tight cuz

This is the story'O my life
Trying to find'O camino
Turning el todo upside down
Untill da final tornado
Making every shit wrong seem'right
And being acting liked surprised

[Verse 2: Frah]

This is da final global-phenomen'hom'
My friends and I we made it minimal
We loco people are running out of control
We criminal animal, illegal-illegal

The Story O'my life

[Verse 3: Beat Assaillant]

Livin out my life like a twisted nivel
Juggling the times yo it's hard to toggle
Between giving up clean living I'm relieved
When I'm just being what I'm made out to be 4
And thats me ain't no mask or costume
And thats good enough to shine I presume
So make room cuz I'm here with my friends
With what little- time left imma step
To the beat of a drum that could snap ya neck
Let's trek to the end of the world and back
Righ now if you down ain't no time to pack 12
Got it all figured out we could leave tonight
Take it slow hitchhiker we don't need no flight

With a pen and a pad Yo I think I'll write hold tigh cuz

This is the story'O my life

Turning el todo upside down
Untill da final tornado
