

War Dance

Shaka Ponk

I don't wanna dance
(Come and dance with me)
No I don't wanna dance
(Come and dance with me)
No I don't wanna dance
(Come and dance with me)

(Bailla bailla tonto)

It's a new styla
Oh baila baila me

War dance

I am double checkin' my gear tonight, yes I'm working on a new
performance
U 're not gonna believe your eyes, it's a dedicated delicate da
nce
A musical fabulous in a jungle dangerous
R u ready for the big surprise', u gonna get get galvanized

Oh I am going to...
I am going to...
No I am going to...

War dance

You're double shaking my dear tonight
Cause I belong to the Skull Clan Dancer
U bully wanna start a fight
With the lyrical necromancer
A monkey ridiculous in a style anonymous
R u ready ready for the big surprise
You gonna get get carbonized

Just Get the fuck out of my street - dance
U fuckin fraud gimme a break - dance
Just get ready for a S'Lap - dance
I don't wanna dance, not a chance
